Duncan 21st Novem 1825

The Auditors having examined the foregoing account of
 Charge and Discharge, and compared the same with
 the Bookken thereof, find that the same is all
 correctly stated. That the Charge thereof amounts to
 Two hundred and Eight pounds nineteen Shillings and
 three pence half penny Sterling, and the Discharge to
 Two hundred pounds nineteen Shillings & a penny
 half penny leaving a balance in the hands of the
 Boxmaster of Eight pounds two Shillings and two
 pence Sterling. The accounts were therefore ordered to be
 booked up in the usual manner.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some faint smudges and discoloration, characteristic of old paper. The left edge of the page shows the binding of the book, with visible stitching and the inner cover material. The overall tone is warm and slightly yellowed, suggesting the age of the document.
